Faculty Presents Picture

The Golden Anniversary commencement exercises were held May 24th at the College. A portrait of Dr. J. W. Jones, college president, was presented to the Board of Regents by the College faculty. The oil portrait was accepted by the Hon. M. E. Ford, president of the Board of Regents, who in turn presented it to the College in honor of the decade that President Jones has served the college. It will be placed in the Union Building which is being named the J. W. Jones Union Building.

Announcing

Roll of Honor

The Dean's honor roll for second semester has been released. Students on the list are as follows:

Lois Alexander, Hopkins; Sandra Bill, Rosendale; Garnet Blohn, Atlantic, Ia.; Sally Bolin, Coin, Ia.; Robert Churchill, Burlington Junction; George Coats, Union Star; Betty Cooksey, Maryville; Constance Cutler, St. Joseph; Frank Davis, Maryville; Larry Dean, Maryville; Susan Ely, Hamilton, Mac Edwards, Eagleville; Robert Evans, King City; Ed Farquhar, Hopkins; Paul Fore, St. Joseph; Ell Erp, Trenton.

Carroll Fry, New Hampton; Sharon Gabbert, Grant City; Beverly Garrett, Maryville; Billy Geer, Coin, Ia.; Lucille Gemmell, Malvern, Ia.; Alicia Green, Osceola, Ia.; George Green, Fairfax; Sherri Heath, Exira, Ia.; Virgil Howe, King City; Marlin Jones, Riverton, Ia.; Nancy Kariger, Balboa, Canal Zone; Charles Kidd, Creston, Ia.; Rosemary Laffoon, King City; Theodore Lockin, Maryville; Karen McCauley, Atlantic; Robert McCullough, Albany.

Retha McGinnis, William Merrick, Shirley Moore, Richard Neff, Maryville; Donald L. Moore, Eagleville; Woodson Moore, Mill Grove; Harvey Munshaw, Union Star; Robert Myrtue, Mapleton, Ia.; Fiona Nelson, Guilford; Mary Neumeyer, Hopkins; Martha Newman Smith, Carrollton; Harold Nigh, Parnell; Barbara Nixon, St. Joseph; Arthur Norton, Denver; Meredith Nystrom, Maryville; Margaret Owen, Clarinda, Ia.

Jack Patton, Barnard; Charles Pyles, Pattonsburg; Roland Ray, Elmo; Iris Reece, Stanberry; (Continued on Page Two)

Social Committee

Plans Summer Movies

Starting this Wednesday and continuing through the following Wednesdays of this month the Social Committee will present a series of feature-length movies in the Bearcats' Den at 7:15.

Betty Grable and Dan Dailey star this week in the Warner color musical "Mother Wore Tights." The following week, Cary Grant, Monty Woolley, Jane Wyman, and Mary Martin may be seen starting in the movie "Night and Day," based on Cole Porter songs and lyrics.

On June 27, Errol Flynn and Olivia de Havilland will star in "Charge Of The Light Brigade," a historical film with its setting in the Russian Crimea.

Regents Recognize Years of Service By Two Presidents

Three unique features climaxed the Golden Anniversary commencement exercise of the College held on May 24.

A portrait of Dr. J. W. Jones, president, was unveiled; the Union building was named the "J. W. Jones Union Building;" and the gymnasium was named the "Uel W. Lamkin Gymnasium."

These unexpected features came after the presentation of 127 degrees. The oil painting of Dr. Jones was presented by Everett W. Brown on behalf of the faculty, to Judge M. E. Ford, chairman of the Board of Regents.

It was suggested that the portrait be hung in the Union, in honor of Dr. Jones' 18 years of service here, 10 years as president.

Judge Ford, in his acceptance speech, announced the naming of the Union in honor of Dr. Jones and the gymnasium in honor of Uel W. Lamkin, president emeritus, who served as president of the College for 24 years.

Kappa Delta Pi Has New Officers

Zeta Lambda chapter of Kappa Delta Pi, national honorary fraternity, held the annual charter's day banquet recently at Armstrong's Restaurant. The speaker for the evening was Dr. H. G. Dildine.

Before the banquet, the following officers were installed for the coming year: John Patton, pres.; James Gromer, vice-pres.; Karen Gardner, sec.; Sharon Gabbert, treas.; and Glenda Rice, historian-reporter.

A formal pledging service was also held for the following people: Don Bennett, Lawrence Brennan, Art Buckingham, Margaret Ann Bush, Judy Cross, Betty Cooksey, Grace Denton, Shirley Dieterich, Susan Joyce Ely, Edward Farquhar, Alicia Glenn, Sherri Heath, Shirley Heits, George Green, Joyce Lash, George Martin, Judy Matthews, Ronald Maurice, Gloria McConkey, Woodson Moore, Ona Morrison, James Roll, Donna Ross, Anna Roberts, Charlene Steiner, Elaine Tassel, Curtis Thomas, Jerry Troxell, Naomi Shipley, Myron Varley, and Aleta Mullins.

EVERY ONE IS INVITED

Hi Fi Record Concerts are being held weekly on Tuesday evenings at 6:00 p.m. Dr. Glenn Hoffman on June 1, for his work this summer and Mr. Donald Sandford are in charge of this entertainment.

Enrollment

At present 841 students are enrolled in the summer session of college. This is a 33% increase over last year's summer enrollment.

President J. W. Jones believes that the new "Teacher Incentive Clause" in the public school Foundation Program and the general desire of the teacher to finish work on his degree are responsible for the great surge in student enrollment.

The "Teacher Incentive Clause" assures the teacher of a larger pay check upon the completion of his degree.

Graduate Students Are to Be Tested

The graduate record examination for graduate students will be given on Saturday, June 23, in the auditorium of the Administration building.

All graduate students enrolled in the College this summer who have not taken the examination previously are required to take the aptitude section of the Graduate Record Examination.

The nationally standardized examination, administered by the Educational Testing Service of Princeton, New Jersey, is designed to provide the student with help in determining his needs and aptitude for graduate study. It is also useful to the graduate faculty in counseling and guiding graduate students. Many colleges and universities utilize this service in their graduate program.

A fee of \$3.00 is being charged for the administration of the examination. This fee is payable in the business office prior to the examination date. Entrance to the examination will be by receipts.

Dr. Koerble, Counselor of Students, declares that the examination is not to be feared, and that because of its broad scope, preparation for the examination will be of little value.

Special Dates!

- June 13—Movie in the den, "Mother Wore Tights."
- June 14—Square dance at the tennis courts.
- June 20—Movie in the den, "Night and Day."
- June 21—Classroom Teachers assembly.
- June 23—Graduate Record Exam.
- June 23—Bus to Kansas City for baseball game.
- June 26—Intermediate Club picnic.
- June 27—Winslow Carringer assembly.
- June 28—Square dance at the tennis courts, 7:30 p. m.

Churchill to Assist In Orbit Calculations

A deserving position was recently awarded to Robert Churchill, a sophomore. He was asked to work with a group of scientists doing calculations of the orbit for the earth's satellite which will be launched during the coming geophysical year.

Robert Churchill

Churchill competed for the job by taking the civil service examinations given to physics majors as a part of the government training program for physicist's helpers. He reported to Washington, D. C., on June 1, for his work this summer and Mr. Donald Sandford are in charge of this entertainment.

College Gets Funds For New Buildings

Gov. Phil M. Donnelly approved an allotment of \$2,165,000 for Northwest Missouri State College last Friday when he signed the building funds bill for Missouri's universities, colleges and hospitals.

The College now looks forward to an extensive building program, the largest started at any single time in its history.

To Starlight . . .

There will be a bus trip to the Starlight Theatre on July 6 to see "Best Foot Forward." Round trip bus fare and admission price will be \$2.85. Anyone who would like to go must sign up in the business office by June 25. The bus will leave at 4 p.m., July 6.

Dr. Koerble to Be New Faculty Dean

Dr. Charles E. Koerble, who has been director of Counseling and Guidance at the College for the past two years, has been selected by the Board of Regents of the College as successor to Dr. W. A. Brandenburg, dean of faculty. Dr. Koerble will assume his position July 1.

Dr. Koerble was born in Milwaukee, Wisconsin. He received his

Dr. Charles E. Koerble

B.A. degree at Lawrence College, Appleton, Wisconsin, in 1941, and both his M. A. and Ph. D. degrees at the University of Wisconsin.

During 1942 and 1943, Dr. Koerble taught in the Cudahy, Wisconsin, high school. From 1943 to 1946, he served with the Army as quartermaster corporal.

Dr. Koerble's experiences include student preaching at Lawrence College and working for Handicapped Rehabilitation with Goodwill Industries in Milwaukee. From 1951 to 1954, he did assistant teaching and counseling at the University of Wisconsin.

According to Dr. J. W. Jones, president of the College, the funds allocated the College are the following:

\$1,150,000 for a new arts and science building.

\$500,000 for a new health and physical education building.

\$135,000 for a dormitory, and \$380,000 for repairs and replacements.

To get the \$135,000 for a new dormitory the College must match the amount in a 2 to 1 ratio.

President Jones says plans and specifications for the new dormitory and the new health and physical education building are well underway. The architects are Walter Boschen and R. C. Herschman, of St. Joseph, and Emil O. Bayerl, of Kansas City.

To Visit Other Campuses

Today President Jones, accompanied by Dr. J. G. Strong, John L. Smay, Lon Wilson, and R. P. Foster, will begin a three-day trip to study buildings on other campuses. They will go first to Macomb, Ill., to visit the arts and science building there. The group will then visit the arts buildings, science buildings, and dormitories (Continued on Page Three)

Stanley Kimes Sings Here Today

Stanley Kimes, brilliant young American operatic basso, will be featured in the first assembly of the summer session on Wednesday morning, June 13, at 9:50 a.m. It will be a return engagement for Mr. Kimes.

Mr. Kimes studied music at the James Milikin University in Decatur, Illinois, and completed his work for his master's degree in opera and voice in 1950 at the Juilliard Opera Theater. He studied abroad for a year at the Giuseppe Verdi Conservatory in Milan. During the year he sang with the Rome Philharmonic Orchestra.

Since then, Mr. Kimes has had major roles with the Florence Opera Company, the Pomeriggi Musical, and the National Italian Radio.

In this country, Mr. Kimes has been featured soloist with the Little Orchestra Society and the Westminster Choir in New York Town Hall. He has been featured bass with the Robert Shaw Chorale many times. In recent months, he played the role of Mr. Peachum in the American premier of Benjamin Britten's "Beggars' Opera."

Art Department Exhibits

Contemporary European Work

British and French works of art have been on exhibit in the Art Department. Contemporary British Prints are on exhibit in room 107. Paintings by French school children have been lent to the United States by the French Government through the courtesy of the French Embassy.

It is a friendly gesture on the part of France, greatly appreciated by art educators in the United States, and the College is honored in having the privilege of showing the exhibit here, one of the limited number of places for its display in the United States.

The exhibit contains outstanding

works by English masters of etching and engraving, showing such well known localities as Cambridge, Durham, and Stratford-on-Avon.

Paintings by French school children have been lent to the United States by the French Government through the courtesy of the French Embassy.

It is a friendly gesture on the part of France, greatly appreciated by art educators in the United States, and the College is honored in having the privilege of showing the exhibit here, one of the limited number of places for its display in the United States.

Greetings From Your President

Welcome to the Summer Session of 1956!

This is your college. You will be proud to know that your enrollment this summer has enabled the college to reach the highest enrollment in sixteen years. There are many factors which contribute to this record but the most significant one is your desire to improve your professional standing as a teacher coupled with your desire to complete the requirements for your degree.

I would urge you to secure a copy of the summer activity calendar and to make plans to share in the activities provided for you.

The Library is yours to use. The members of the Library Staff will do all they can to supply your needs.

While the faculty will hold to high standards of work in all your classes, you will find that if you will make your wants known, the members of the faculty will help you with your problems.

June 5, 1956

J. W. JONES,
President.

Blood Donors Are Needed

Voluntary blood donors are needed to participate in the College blood bank program, according to a report from Dr. Sterling Surrey.

The blood bank program was begun on the campus during the past school year, and has proved a worthwhile project. College students and faculty members who registered with Dr. Surrey had their blood typed, and their names then were put on a voluntary blood donor list. Several donors were called during the year when emergency cases arose.

The donations are given gratis. However, such expressions of gratitude as the following excerpt from a letter which was received by Dr. Surrey surely are payment enough for the small service which College students can render easily:

We want to take this opportunity to thank you and the students of the College who so generously gave the gift of life in the form of blood donations. Words are inadequate to describe the humble gratitude we feel.

If ever, in any way, we can be of any assistance to any of you, please feel free to call on us. No matter what we do, however, we can never repay the debt we owe to so many. God bless you.

Students who were not enrolled in the College for the past year, and who are willing to donate blood when called upon may receive further information from Dr. Surrey in Room 101.

The Stroller . . .

Hello everybody, the Stroller would like to welcome both the old and new faces to a new summer term.

Congratulations to Dr. Koerble on his appointment to the post of Dean of Faculty. This one hated to see Dean Brandenburg leave, but there is only one way a professor should go and that is up. Both these swell fellows are on the way.

A grateful thank-you goes out from the Stroller to the students of Entomology for their job of insect extermination. This insect destruction is carried on without the aid of automation or newly developed chemicals. It is accomplished by brushing the insects into a small bottle containing what smelled a bit like 190 proof alcohol. They told me it relaxed the bugs. Little wonder, it seems to me.

Did you line up with the Stroller for the coffee hour in the Union lounge? There was a large turnout with flurries of hellos and introductions. It seemed the older students were in the majority. Come on, you young people, functions like this are a good way to gain knowledge about social life.

People say you can't get enough of a good thing, but if we don't watch our local water supply we will not have any of a good thing. Please, let's all help with the important job of conserving water.

One of the speech instructors was overheard telling her captive audience that it was normal for them to be green, but did she mean in the face? Here is another query about some of those same speakers to be. Have children actually become a hobby as some of them would lead us to believe? When the Stroller was a child (oh so long ago) he was believed to be a problem.

Good luck on the grindstone of education; here's hoping you can stay sharp.

They're Talking About . . .

About those term papers in the education courses with the selected annotated bibliographies. . . . The change in campus atmosphere with the return of the older students. . . . Many friends they met at the Coffee Hour. . . . How deserted the library but not the local movies.

Mr. Brown's correspondence about the man who wasn't there. . . . The rain. . . . Re-schedule of their classes. . . . 100,000 miles to school. . . . Dr. Koerble's promotion. . . . New faces in the offices. . . . Housing shortage for the fall semester. . . . Increased pace of summer school. . . .

The book store being open all day, well almost. . . . Whereabouts of the Tower. . . . The exhibit by the French children. . . . Bootlegging a few games of golf at the Country Club.

Dr. B. June West Sees 50th Year As a Golden Year

"Golden is the year that marks the 50th anniversary of Northwest Missouri State College, which held its first session June 13, 1906. Golden have been the achievements.

"Golden are the opportunities made available to residents of this area." This was the opening of the commencement address by Dr. B. June West, entitled, "An Inner Gyroscope: A Search for A Way of Life."

In the body of her speech Dr. West drew an analogy between the gyroscope used in ships and airplanes to aid in keeping their course and an "inner psychic gyroscope" in humans which would be in the form of genuine and mature achievement and scholarship.

Dr. West stated that "400,000 university and college teachers would be needed to be added in the next 15 years to maintain the ratio of 10 students per instructor."

A 1931 graduate of the College and now associate professor of English at Eastern New Mexico University, Dr. West delivered her address before a huge crowd of graduates, administrators, teachers, friends and relatives on May 24 in the College auditorium.

Stop Pushing

Parking congestion seems to have been alleviated somewhat since many students have been observing the "no-parking" sign in the Union driveway. It's really too bad that students could not have quit parking in this area voluntarily without having the Student Senate and the College police hold clubs over their heads.

It's just a matter of common courtesy to leave this drive open for delivery and service trucks. The only persons permitted to park near the Union are full-time personnel who have reserved spots at the south end.

Courtesy and good manners in driving, in eating, in just walking down the hall—are virtues which should be present in all college students.

Announcing Roll of Honor

(Continued from Page One)

Glenda Rice, Pickering; Anna Roberts, Grant City; Donna Ross, Mound City; Marlia Selpold, Hastings, Ia.; Robert Smith, Maryville; Maxine Spry, Bedford, Ia.; A. G. Steffen, St. Joseph; Charlene Steiner, Amity; Curtis Thomas, Stanberry; Rolande Thompson, Ravenwood; Russell Thompson, Clearmont; Carol Tilton, St. Joseph; Myron Varley, Yorktown, Ia.; Mrs. Virgil Vaughn, Maryville; Harold Vogesser, Atlantic; Virginia Wartig, Maryville; Jerry White, Bethany; Jimmy Wiggins, Maryville; Nadene Wolf, Weatherby.

Of this group, students with a straight "E" average are Sally Bohn, Robert Churchill, Lucille Gemmell, Sherri Heath, Meredith Nystrom, Robert Smith, and Harold Vogesser.

Music Department Has New String Ensemble

A new string ensemble recently has been organized by the music division for the enjoyment of both music students and faculty members. The group will perform in a student recital program at the end of the summer.

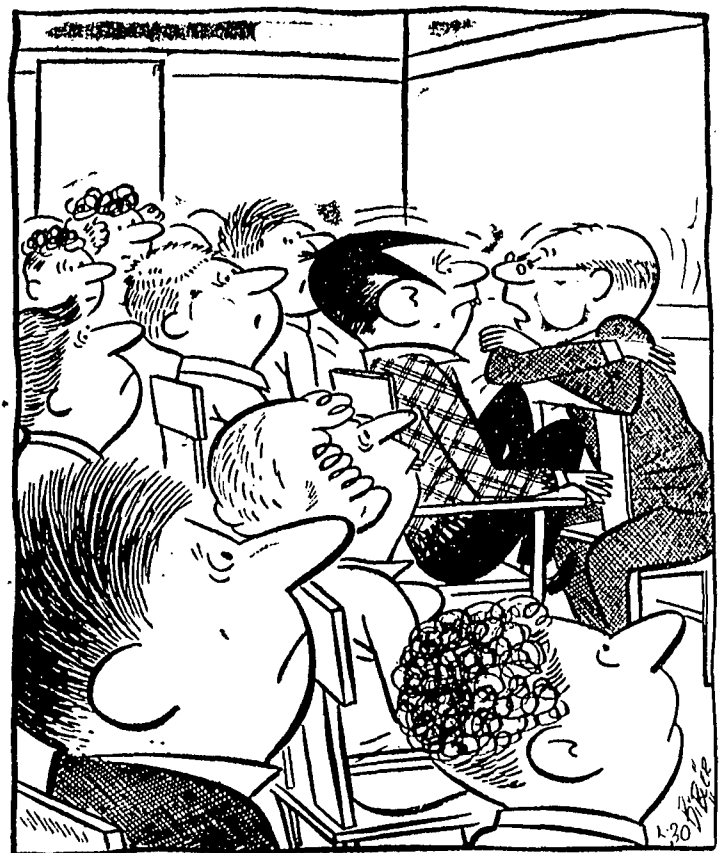

Members of the group are as follows: Miss Ruth Miller, Mr. Earle Moss, Peggy Henry and Kay Edwards, violin; Anna Roberts, viola; and Mr. Donald Sandford, cello.

Senate Installs New Members

New members of the Student Senate, elected March 28, were sworn into office by the president, Arthur Buckingham. The new senators are Jean Swanson, Gerry Wurster, juniors; Jerry Overton, Ron Searcy, sophomores; Margie O'Connor, Sybil Sims, freshmen.

LITTLE MAN ON CAMPUS

by Dick Biebler

"I don't see how you can expect good marks in this course—The very fact you enrolled for it shows you don't have a very good I. Q."

News About Alumni

The State College's annual alumni banquet was held at 6 o'clock in the Union Building dining room on May 23. Special honor went to the classes of 1906, 1916, 1926, 1936, 1946, and 1956.

The 1956 officers of the alumni association were: President, Mrs. H. R. Dieterich, Maryville, Class of 1953; executive board, Mrs. R. G. Kyger, Stanberry, class of 1924; treasurer, Miss Laura B. Hawkins, Maryville, class of 1924; secretary, Everett W. Brown, Maryville, class of 1937.

New officers chosen at the dinner for the College Alumni Association are: Mrs. Florene Allen Kyger, president, Stanberry, Class of 1924; Paul Fields, first vice-pres., Maryville, Class of 1941; Frank Strong, second vice-pres., Maryville, Class of 1941; Laura B. Hawkins, treasurer, Maryville, Class of 1924; and Everett W. Brown, secretary, Maryville, Class of 1937.

Mrs. Twila Dietrich, past president, Maryville, became a member of the executive board for three years.

Neville Hartman, North Kansas City, was elected president of the Kansas City branch of the State College Alumni Association when members held their annual meeting and dinner Friday night, May 11, at "The Wishbone" in Kansas City.

A native of Maryville and College graduate of 1931, Hartman succeeds Ford Hunter, Kansas City, as alumni president.

Other officers elected were as follows: Vice-presidents, Miss Pauline Walker, class of 1931, formerly of Burlington Jct.; John Dunlap, class of 1952, formerly of Winston, and secretary-treasurer, Miss Lois G. Tripp, class of 1942, formerly of Ridgeway.

Mrs. Florence H. Barry underwent surgery at the Mayo Clinic in Rochester, Minnesota, on Wednesday May 9, and is recovering satisfactorily at the time of this writing. Mrs. Barry is employed in the business office of the College.

J. D. Hammond, Class of 1955, has been awarded a \$2000 renewal on the \$1000 Hueber scholarship to the Wharton School at the University of Pennsylvania that he received last year.

Oren Lee Staley, former student of the college, was featured as speaker of the National Farmers Organization meeting held in Maryville, Tuesday, May 15.

Mr. Staley was a student here in 1941, '47 and '48. His major field was agriculture.

William Mapel, president of the Publishers Association of New York City, and a former student of this college, 1920-1924, recently received honor awards from the University of Missouri for distinguished service to journalism, during the Journalism week program at the University.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Surrey Announces Representative Assemblies

The Longines Symphonette, Bennett Cerf, and the musical "Of the 1 Sing" will be featured at college assemblies during the 1957 year according to Dr. Sterling Surrey, chairman of the Assemblies Committee.

Bright Cook will make his third appearance here also. Mr. Cook, a distinguished foreign correspondent, news analyst, and humorist, presented one of the more well-received assemblies this year.

The Longines Symphonette, which appears regularly on the Longines watch radio program, will be here for two performances March 26. Bennett Cerf, noted American humorist who appears on television's "What's My Line?" and writes for the Saturday Review, will be a guest lecturer in the spring.

Highlight of the fall programs will be the student production of "The 1 Sing." This will be directed jointly by the music and drama departments.

Operatic Basso

Stanley Kimes, one of the foremost young bassos of today's music world, is to be featured today at the assembly program in the auditorium.

Senate Approves

Union Board And Social Committee

Eleven members of next year's Social Committee were recently appointed and approved by the Student Senate.

Students selected to serve on the committee are Ron Maurice, Jerry Sutton, Norma Hawkins, Nancy Kariger, seniors; Gene James, Carol Gamble, Ron Bradley, Woodson Moore, juniors; Harold Lynch, Nancy Noel, Larry Sipes, sophomores.

Alpha Sigmas Win Sweepstakes Trophy

The Alpha Sigma Alpha sorority was awarded the Sweepstakes trophy for having the highest number of points which were based upon sportsmanship and participation in various activities in the women's intramural program.

Standings of other teams entered in the women's intramural activities are: Sigma Sigma Sigma, second; P.E.M. Club, third; Dance Club and Delta Sigma Epsilon, tied for fourth; Independent Club, fifth; Hawks, sixth; Red Racers and Tigerettes, tied for seventh; Bearkittens, eighth.

The Sportsmanship trophy was won by the Bearkittens. Teams were rated for sportsmanship by the officials as they participated in the tournaments.

Next year's schedule of activities includes softball and tennis in the fall; basketball, bowling, and aerial darts in the winter; and volleyball, badminton, table tennis, and shuffleboard in the spring.

Science Professors Attend Kansas Meeting

Recently Mr. Myrl D. Long, Dr. D. N. Cooper, and Dr. J. G. Strong were guests of the Alpha Rho Chapter of Phi Lambda Upsilon, Honorary Chemical Society of the University of Kansas, Lawrence, Kansas, to hear a lecture on "The Structure of Protein" by Dr. Linus Pauling, Nobel Prize Laureate of the California Institute of Technology.

Ninety-six College Students Take Directed Teaching Work

Ninety-six students are enrolled in the Directed Teaching Courses in Horace Mann Laboratory School for the summer session. Of these ninety-six, some are taking double teaching hours, making more than one hundred student hours.

Three seminars will be held for the student teachers during the summer. The first seminar was June 7th. This was an orientation seminar. The other seminars will be held June 27th and July 19th.

Children Attend in Mornings

The laboratory school will be in session from June 11th through July 25th, with the children attending from 8:40 until 12:00. Nursery school, kindergarten and first through eighth grades will be in attendance during the summer session.

The pupils in the laboratory school will have an opportunity to engage in swimming on the following schedule. Grades seven and eight will meet on Monday and Wednesday from 3:00 to 4:00 p. m. Grades four, five, and six will meet on Tuesday and Thursday from 3:00 to 4:00 p. m. Student teachers will be assisting in this swimming program for the pupils.

Two Instructors Are New

This summer in the Education Department there will be two visiting instructors. They are Miss Genevieve Brown and Dr. T. C. Jenkins.

Miss Brown, who is a teacher in the St. Joseph school system, will supervise the Nursery School - Kindergarten combination. She also will teach one course in pre-school education.

Dr. Jenkins whose home is in Greenwood, Indiana, will teach a graduate course, Advanced Educational Psychology, and the following under-graduate courses: Educational Psychology and Adolescent Psychology.

Three staff members of the laboratory school are on leave this summer. Miss Mary Keith is planning on a seminar trip to Europe. Miss Frances McKee plans on a vacation and also on attending a workshop. Her plans are indefinite as to where she will attend the workshop. Mr. Leonard Levy will attend the University of Chicago where he is working on requirements for his doctor's degree.

Club Elects Officers

New Ag club officers for the coming year were elected at the meeting on May 2. The new officers are as follows: president, Daryl Johnson; vice-president, Donald McCartney; secretary, Wayne Rolf; treasurer, Robert Wade; reporter, Byron Cooper; and parliamentarian, Melvin Karr. The new officers are looking forward and planning for an increase in members this fall.

Registrar R. P. Foster Attends State Meetings

R. P. Foster, Registrar, who has been appointed to a state committee which will study high school and college relations, attended a committee meeting on June 7 in Kansas City, and will go on June 15 to St. Louis. Mr. Foster is secretary of the committee. Mr. Neal Freeman, director of Admissions at Christian College, will serve as chairman of the group.

Membership of the Committee is made up of representatives of various high school and college organizations, including the Superintendents' Association and the Principal's Association. Representatives of the American Association of Collegiate Registrars and Admissions Officers also will be present.

During the meetings, the Committee will give particular attention to such problems as college admissions, visitations to high schools, scheduling of career days, and the promotion of colleges. The group has been functioning for one and a half years, studying problems of high school and colleges, regarding the development of better relationships.

Dr. Dale Blackwell Resumes Work Here

Dr. Dale J. Blackwell has resumed his work as instructor of business education at the State College after two years leave to complete requirements for his doctor's degree at the University of Missouri. He was one of 42 candidates to have the doctorate degree conferred at commencement exercises last week at the University.

While completing requirements for the degree of doctor of education, Blackwell instructed classes in accounting there. He is president of the Missouri Business Teachers Association and was recently appointed by the State Commissioner of Education to membership on a state committee for revision of the state course of study for business education.

Mrs. Blackwell also studied retail selling and accounting at the University. The Blackwell's son, Roger Dale, attended the University high school. Mrs. Blackwell and Roger are continuing their work in Columbia through June and July, while Dr. Blackwell is teaching here.

College Gets Funds For New Buildings

(Continued from Page One)

at the University of Iowa, Iowa City; Grinnell College, Grinnell, Ia.; Drake University, Des Moines and Graceland College, Lamoni, Ia.

While at Iowa City, the President and Mr. Foster will attend a meeting called by the Iowa State Department of Education, with J. C. Wright, State Superintendent of Iowa Schools, in charge. A study of the certification of teachers in Iowa is to be made at the meeting and this college is to be a guest. Plans Are Almost Complete

H. D. Peterson, chairman of the physical education department, has already visited health and physical education buildings on a number of campuses, and plans are almost complete for the new health building on this campus.

When will the new buildings be ready?

"By October 32," says the President.

It is the same answer he gave about the Union.

When will construction begin? When will departments move? When will the buildings be dedicated?

"October 32."

The President does state that the work will be completed as fast as it is humanly possible to complete it.

Physical Education Is on Master's List

Staff members of the Division of Health and Physical Education are planning ahead for next fall when they hope to broaden their required courses and make room for all the new students. With another record breaking enrollment expected, they plan to add at least two or three more required courses.

Master's degree in physical education will be offered, beginning this summer, according to Dr. H. D. Peterson, chairman of the division.

Square Dance Will Be Held Tomorrow

Former College Instructor To Call First Dance of Summer

Tomorrow night, June 14, the first square dance of the summer will be held. This dance will be held on the tennis courts from 7:30 until 9:30. If the weather is bad, the dance will be held in room 114 of the Administration Building.

Everyone should attend this square dance if possible as plenty of entertainment will be provided.

Those interested, experts or ones who do not know the calls, are invited to come out to this dance. The ones who do not know the calls will have a chance to learn them at this dance.

Mrs. Chase McLaughlin, formerly Miss Doris Hysler, has been contacted to be in charge of the calling. Mrs. McLaughlin was an instructor in the Physical Education department before her marriage last February. She is now living in Grant City, where Mr. McLaughlin is editor of the Grant City Times-Tribune.

Miss Pat Adams has also been contacted to call several dances.

Summer students of last summer requested more dances, as the dances were enjoyed by everyone who attended. There were a total of three last summer with the attendance increasing with each dance. The social committee of the College have planned three square dances again this summer.

Free cold pop will be served at intermission.

Members of this summer's social committee who make these dances possible are Miss O'Connor, Miss Simons, Coach Milner, Dr. Koerble, Mr. Foster, Mr. Wilson, and Mr. Brown.

Rowley Receives Athletic Trophy

In the awards assembly held in the College auditorium May 18, Larry Rowley, junior from Council Bluffs, Iowa, was awarded the all around athlete award on campus for the 1955-56 year.

Larry was a letterman in football and tennis. He also participated in intramural volleyball, bowling, swimming, badminton, basketball, and track.

This award is given to the athlete who has competed in both varsity athletics and intramurals. Points are given for each event in which the student participates, and the total over the year decides the winner of this trophy.

Mike Hutcheon, junior from Maryville, received the Howard Leech award for the outstanding junior in athletics.

Baseball and Tennis Lettermen Announced

Coach Bob Gregory recently awarded thirteen letters to baseball men for their playing of the 1956 season. This was the first season in many years for the College to have a baseball team in competition. The team was successful in their first season, winning six games and losing only two. The team also tied one in a game played with Warrensburg.

The Bearcats were defeated by Rockhurst College of Kansas City and William Jewell College of Liberty. The team also defeated these clubs in return games.

Coach Gregory's lettermen include Larry Fett, first base; Ross Scott, shortstop; Jack Little and Bill Burnham, second base; and Bill Cain, third base.

In the outfield were Dizzy Barnett, left field; Russ Davenport, center field; and Mike Hutcheon, right field.

The catcher for the 'Cats was Ron O'dell and the pitchers who lettered are Mike Murphy, Warren Landess, Marvin Black, and Jim Harris.

Dr. Frank Grube, coach of the tennis team, had three lettermen for this past spring season. The tennis team ended with a mediocre season with a little trouble in the state meet. Lettermen in tennis are Charlie Adair, Bob Smith, and Larry Rowley.

Lettermen Named For Track Season

Coach Ryland Milner, recently announced his track lettermen for the 1956 spring varsity season. The track team had a good record for the season which ended with the conference meet held at Warrensburg May 11.

Coach Milner will be having eleven lettermen returning next year for the sport. Only two seniors were lost and they are Jack Spence, St. Joseph, and Ric Tilton, also of St. Joseph.

The lettermen for this past season are Juniors: Larry Butler, Bethany; Vic Cromer, Caruthersville; Jerry Davis, Chillicothe; John Watson, St. Joseph.

Sophomores: Denzil Caldwell, Bob Pierce, and John Schulze.

Freshmen: Bob James, Dick McDonald, Bruce Wake, and Jerry McGinnis.

Other men who participated, but did not letter, are Jack and Jim Mewhirter, Weldon Dowden, Fred Maher, Larry Bolat, Floyd Worley, John Gourley, Jack Mathiasen, Loren Putney, Jim Tussy, Gene Johnson, Wayne Jackson, and Wendel Guess.

Hole-in-One

The first hole-in-one at the Maryville Country Club in five years was recorded Thursday night by Ronald Bradley, State College junior, on the No. 3 hole. Bradley is the son of Mr. and Mrs. Belmont Bradley, Chillicothe, Mo.

Student Gets Driving Certificate

Evert Hunsicker, Eagleville, right, receives his certificate from Everett Brown, coordinator of the driver training teacher seminar two weeks ago. Mr. Hunsicker estimates that he drove over 100,000 miles on his 140 mile daily trips to and from college. He has an excellent driving record; but he decided to get the driver training certificate as he thought he might like to teach the course in high school some day.

Many Students Enroll In Summer Golf Class

This summer's golf class being taught again by Coach Ryland Milner. As last summer, class is a large one with nearly thirty students taking advantage of this summer sport. Class presently being held at the Maryville Country Club, 3:20 p. m.

The students are now working the fundamentals of the game also playing usually six holes a day.

Members of this class are Dana Mollenkopf, Shirley Long, nes Milligan, Clarice Mottl, drew Churchill, Marie Ward, Ferral Foster, Robert Dre, Opal Golden, Bill Burnham, B. Cox, Jean Burnham, Joye To, Jimmy Wiggins, and Barb Crowe.

Robert Bush, Nadene Wolf, bna Sharp, Dana Sharp, A Steffen, Gloria Jameson, L Rager, Virginia Buzzard, Lo Richardson, Joyce Naber, Da Redmond, Sharon Reimer, Maxene Martindale.

Random Shots . . .

Everyone should be taking advantage of the College's tennis courts. The swimming pool will be open to students from 4 until 5:30 on Tuesdays and Thursdays. Also the students can play golf at the Maryville Country Club. The only requirement for golf is to get a permit from Dr. Peterson at the gym. These permits are good every day except Sundays and holidays.

All baseball fans should fill out their ballot for the all star team to play in Cincinnati the middle of July. The managers will pick the pitchers to compete that day. Students will have a chance to see this game in the TV room in the Union.

Probably won't be long before we will have a picnic. The social committee has planned the square dance which will be held tomorrow night on the tennis courts, weather permitting.

Other recreations such as table tennis, bridge, and billiards can be played in the Bearcat Den. Anyone interested in bowling can bowl at the Nodaway Lanes in Maryville.

Anyone interested in baseball should have signed for the trip to Kansas City to see the Athletics play the Boston Red Sox, June 23. Should see plenty of action.

Looks as if the St. Louis Cardinals have pulled out of their slump, and now the Athletics are in one. The Cards were disappointing last season as they finished in the second division of the National Baseball League.
